Child abuse professionals share the positive impact of our support:

"Without the generosity of the HNM program, this youth's graduation from high school may have been impacted due to an unresolved debt owed to her school that was incurred while she was in foster care. Because of the HNM's assistance youth will be able to graduate and move forward unencumbered by this debt."
- Victim Advocate

"Significantly helped youth with his social, emotional, and cognitive development. He has had extreme avoidance behaviors and developed negative coping behaviors from his trauma. The positive environment will help him develop his strengths and curiosity."
- CWS Social Worker

"This reward helped youth to re-engage in a prosocial activity that she enjoys. She expressed a lot of gratitude and is enjoying getting back into the cheer community at school and feeling more like herself."
- SATC Worker

April is National Child Abuse Prevention and Awareness Month

In April 2022, our staff and board members joined CJC staff in placing pinwheels on the fence outside the CJC, to raise awareness about the prevalence of child abuse in our communities. We also hosted our Heroes of Hope luncheon with a speaker on resilience for dozens of our partner agency professionals dedicated to serving child victims.

In addition we released Hawai'i's 2021 child abuse statistics at our annual press conference with community partners who shared their perspectives. Girl Scout Troop #30 donated their time as well as children-sized slippers they bought with money raised from their cookie sales.

Hope & Healing Fundraiser, 2022

In October we were thrilled to host our first in-person Hope and Healing Fundraising event since the pandemic, with the theme "Once Upon a Time." It was a magical evening of food, fun, dancing and tremendous generosity. Ann Bell, a mother of an abused keiki, shared her story and renewed for many of us, the conviction to continue this important work for child victims and their families. We sincerely hope you will be able to join us this year.
